

Applying for jobs with Northern Health

CREATE YOUR PROFILE

- Head to jobs.northernhealth.ca
- Fill out your personal and contact information
- You will be able to login with your email address and password and use your profile to check the status on jobs you've applied for and to apply on all future job postings.

MANAGE YOUR PROFILE

- Attachments: Upload your resume, cover letter, proof of vaccination, and any documents to support your application
- Education: include relevant education achieved or in progress.
- Registrations: add relevant licensing and registration numbers.
- Career Preferences: adding your preferences of location and job type will customize your "For your information" section on the home page

SEARCH FOR CAREERS

- Select your preferred job category, region, or location
- Click on the job title and then [Apply Now] to apply to a position

APPLY FOR POSITION

- Attach the documents to support all required qualifications as outlined in the job posting, including your resume, cover letter, and proof of COVID-19 vaccination.
