Community level estimates are based upon each community's relative share of the total Local Health Area (LHA) population and reflect what "might be expected" at the community level.

Nechako Local Health Area (LHA) and Fraser Lake- Village ^{1, 12}

This is a screenshot of the Statistics Canada website showing the Census Profile for Fraser Lake, Village (Census Subdivision), British Columbia. The page is in French, with the header "Statistique Canada" and "Canada.ca". The navigation menu includes "Information for...", "Browse by subject", "Browse by key resource", "Help", and "Canada.ca". The breadcrumb trail is: Home → Census Program → Data products → Census Profile → Search results for "fraser lake". The main heading is "Census Profile", and the sub-heading is "Map: Fraser Lake, Village (Census Subdivision), British Columbia". Below the heading, there are tabs for "Data table", "Download", "Map", "Geographic hierarchy", "Related data", and "Help". The "Map" tab is selected, showing a map of Fraser Lake, Village, highlighted in green. The map also shows the surrounding area, including the Bulkley-Nechako D, RDA and the Stikine (Stikine) 1, IR1. The map is titled "Map: Fraser Lake, Village (Census Subdivision), British Columbia" and includes a link to "Alternative format(s): pdf | ARCHIVED - GeoSearch (interactive tool)".
