Service type definitions

Child care

Care programs:

- 2** For the purpose of paragraph (a) of the definition of "care" in section 1 of the Act, the following programs are prescribed:
- (a) **Group child care (under 36 months)**, being a program that provides care to children who are younger than 36 months old;
 - (b) **Group child care (30 months to school age)**, being a program that provides care to preschool children;
 - (c) **Preschool (30 months to school age)**, being a program that provides care to preschool children who are at least
 - (i) 30 months old on entrance to the program, and
 - (ii) 36 months old by December 31 of the year of entrance;
 - (d) **Group child care (school age)**, being a program that provides, before or after school hours or during periods of school closure, hours or during periods of school closure, kindergarten;
 - (e) **Family child care**, being a program in which the licensee
 - (i) is a responsible adult, and
 - (ii) personally provides care, within the licensee's personal residence, to no more than 7 children;
 - (f) **Occasional child care**, being a program that provides, on an occasional or short-term basis, care
 - (i) to preschool children who are at least 18 months old, and
 - (ii) to each child for no more than 40 hours in a calendar month;
 - (g) **Multi-age child care**, being a program that provides, within each group, care to children of various ages;
 - (h) **In-home multi-age child care**, being a program in which the licensee personally provides care, within the licensee's personal residence, to no more than 8 children of various ages.
 - (i) **Child minding** is a prescribed program as defined in the child care licensing regulation act.

Residential care

Types of care:

- 2** (1) A prescribed residential program for the purpose of paragraph (b) of the definition of "care" in section 1 of the Act is Child and Youth Residential, being a program that
- (a) provides a type of care set out in subsection (2) to a child or youth, or
 - (b) promotes or supports the behavioural, intellectual, physical or social development of a child or youth in a therapeutic residential setting
- (2) The follow types of care may be provided to adults who meet the criteria in paragraph (c) of the definition of "care" set out in section 1 of the Act:
- (a) **Hospice**, being residential care and short-term palliative services for persons in care at the end of their lives.
 - (b) **Mental health**, being residential care for persons who are in care primarily due to a mental disorder.
 - (b.1) **Substance use**, being residential care for persons who are in care primarily due to substance dependence.
 - (c) **Long term care**, being residential care for persons with chronic or progressive conditions, primarily due to the aging process.
 - (d) **Community living**, being residential care for persons with developmental disabilities.
 - (e) **Acquired injury**, being residential care for persons whose physical, intellectual and cognitive abilities are limited primarily due to an injury, including persons suffering from brain injuries or injuries sustained in accidents.
 - (f) **Hospital**, means an institution designated as a hospital under section 1 of the Hospitals Act.

Delegation of a manager

If the licensee is a corporation, the licensee must delegate full authority to operate the facility in accordance of the requirements of the act and regulations. By signing this application you have indicated a delegation of authority to the person named as manager.
